IMPORTANT NOTICE

The compiler of this year's Index has not listed the titles of operas in Index No. III strictly alphabetically as in the past. All operas whose first word is A, Das, De, Der, Die, I, Il, L', La, Le, Les, The, Un, are therefore to be found under A, D, I, L, T and U respectively. Thus *A Midsummer Night's Dream* is under A, not M, *La Bohème* under L not B, *Die Meistersinger* under D not M, *Il Trovatore* under I not T, *The Rake's Progress* under T not R etc., etc. We apologize to all our readers, especially to librarians and research students for this departure from the normal indexing procedure, but to have had the whole of Index III re-set, would have meant a further delay in the publication of the Index for 1962, which is already several weeks late—Editor.
